

Getting Started in the Assembly on Education (AOE) Community

1. On your Personal Page (What's New), use the **My Communities** drop-down on the right side to choose Assembly on Education (AOE) from the list of your communities. Then hit **Enter**.

The screenshot shows the AHIMA website interface. At the top left is the AHIMA logo with the tagline 'Communities of Practice'. To the right is a 'LOGOUT' button. Below the logo is a navigation bar with links: 'What's New', 'What's Popular', 'Notifications', 'My Profile', 'Bookmarks', 'Search', 'Facilitator', and 'Help'. Below the navigation bar is a breadcrumb trail: 'You are at My Pages > What's New' and a search box with a 'SEARCH' button.

The main content area is titled 'What's New Topics'. It includes a 'View' dropdown set to 'All Topic Items', a 'Filter' dropdown set to 'All My Communities', an 'Order By' dropdown set to 'Date (Recent Updates)', and a 'Page' dropdown set to '25' with a 'Go' button. A red arrow points from the 'Go' button to the 'My Communities' dropdown menu on the right.

The 'My Communities' dropdown menu is open, showing a list of communities: 'AHIMA', 'Assembly on Education', 'Enterprise Imaging', 'ICD-10 Implementation', 'Membership Services Comm...', 'Student', 'Studying for the CCS', 'test', 'Training for Facilitators and St...', and 'Webinar Series'. The 'Assembly on Education' option is highlighted.

The 'What's New Topics' list shows two items:

- 1** [Dermabond](#)
BASED ON THIS CODING CLINIC FOR HCPCS 1ST Q 2005 WE ARE HAVING DISCREPANCIES IN THE DEPARTMENT AS TO WHETHER TO CODE THE 12000 SERIES FOR DERMABOND REPAIR OR NOT? CAN YOU PLEASE CLARIFY WHEN AND WHY I WOULD USE THE G0168 ALSO PLEASE?

- 0** [Board of Directors Training Guide](#)
Documents for the new Board of Directors members and references on Policies and Procedures.

2. At the AOE community, use the filters to focus your search for the information you need. Using the filter on the left (View), for example, you can choose **Only Topics with Resources** if you are looking for the category Instructor Materials.

The screenshot shows the AOE community website interface. At the top, there is a navigation bar with links for 'My Pages', 'Search', 'Facilitator', and 'Help'. Below this is a breadcrumb trail: 'You are at Community > Topics'. A search bar is located on the right side of the top navigation area. A red horizontal bar contains navigation links: 'Topic', 'Calendar', 'Archive', 'Related BoK', and 'About'. The main content area is titled 'Assembly on Education'. Below the title, there are four filter controls: 'View' (a dropdown menu with 'All Topic Items' selected and a red arrow pointing to 'Only Topics with Resources'), 'Filter' (a dropdown menu with 'All Categories' selected), 'Order By' (a dropdown menu with 'Date (Recent Updates)' selected), and 'Page' (a dropdown menu with '25' selected and a 'Go' button). To the right of these filters is a 'My Communities' section with a dropdown menu showing 'Assembly on Education'. Below that is an 'Announcements' section with text about accessing instructor materials. The main content area displays a topic listing for 'from Academic Community Focus Groups' by Lynette Czarkowski, dated Monday, April 4, 2011. The listing includes a link to a recording, a powerpoint attachment, and a star rating of 3 out of 5. The bottom of the page shows 'Comments: 2 Views: 38 Created: 4/20/2011 4:38 PM By: Lynette Czarkowski Updated: 4/29/2011 1:12 PM'.

3. From the Filter, All Categories drop-down, choose the category you want (a full listing of the categories is below). The **Instructor Materials** categories begin with IM: publication name. Once you have chosen the category, click on **Go**. The page will refresh with only topics in that category.
