

CoP Crosswalk - Then and Now

Then	Now
<p>Personal Page: Your Personal Page allowed you to go to your communities for information.</p> <p>My Communities: From the Personal Page you clicked on the Community name. If you were in a community, you clicked the My Communities drop-down on the left side.</p>	<p>Personal Page: Now, your Personal Page shows you what is new in “your” communities andr what is popular in the public communities.</p> <p>My Communities: Now each page has the My Communities drop-down on the right side. Select this to go to a specific community.</p>

Then	Now
<p>Top Toolbar: On the top toolbar you could join a community, suggest a community, or search for members.</p>	<p>Top Toolbar: You can do the same things from the top toolbar in the new CoP, but additional features are also available.</p>
	<div data-bbox="1276 201 1776 370" style="border: 1px solid gray; padding: 5px;"> <p>On the top toolbar, on your Personal Page, you can:</p> <ul style="list-style-type: none"> - Set your notifications, e-mail or RSS - Add a picture, bio or communities in My Profile - Bookmark your favorite topics - Search for content, members or communities - Help - access help guides and videos </div> 
	<div data-bbox="1680 548 2003 656" style="border: 1px solid gray; padding: 5px;"> <p>Or e-mail. Make your choices here and then Update at the bottom.</p> </div>

Share what you choose using the check boxes and the photo and bio boxes.</p> </div>

Then	Now
<p>Joining Communities: You could join communities from the top toolbar.</p>	<p>Joining Communities: Now, under the Search link, there are three options: Search Communities to find ones to join, Search Members to find a colleague, or Search Content to find information.</p>
	 <p>Click the one you need.</p>
	
	
	

Then	Now
<p>Going to Communities: You clicked on the community's name listed on your Personal Page.</p>	<p>Going to Communities: To find the information within your communities, select the My Communities drop-down menu on the right side from any page.</p>
<p>In a community, you selected the My Communities with the drop-down menu on the left side of the page.</p>	
<p>Sorting in a Community was by Category only.</p>	<p>Sorting in a Community or under What's New/What's Popular: Now you can use four different filters to narrow your search for information.</p> <ol style="list-style-type: none"> 1. View: Content within the topic; Only Unopened; Only with Collaboration; Only with Resources; Only Feature items; and Only with Workspaces. 2. Filter: Categories 3. Order by: Date (Recent Updates), Date (Recent Comments), Highest Ranking, Top Rating, Most Views, Date (Oldest First), Most Comments. 4. Pages: number of topics viewed per page 5. Then click Go
	

Then

Community Content: All the content was separated into different content types.

Now

Community Content: All content is included under **Topics**. **Topics** include comments, resources, links, collaborative documents, workspace, and events. This makes it easier for you to see content and comment on it.

AHIMA

The screenshot shows the AHIMA website interface. At the top, there's a navigation bar with the AHIMA logo and links for Contact, Copyright, Privacy, and Terms and Conditions. Below that, there's a 'COP Home | About The Facilitators | Notification' section. The main content area is divided into several sections: 'My Communities' (showing AHIMA as a member), 'Related Communities' (with a 'click here' button), 'CoP Search' (with a search bar and filters), 'Chat With Peers' (with a 'Chat With Peers' button), 'Events' (with a calendar for October), and 'Community Links' (with a table of links). The 'Community Links' table has columns for Category, URL, Description, Submitted By, and Last Update.

Forms Committee in an EMR world

I am Manager of Health Information for a new hospital that is opening October 1st, and I am basically building a Medical Records Department from ground up. This will be a 30 bed specialty Orthopaedic hospital and their first surgery is scheduled for October 18th. We are implementing a completely new EHR, aside from the ambulatory surgical center that is next door, and our hopes are that it...

Starting a Career in RHIT or RHIA (North Carolina)

Hello I Just need advice for a recent grad from Health Information Management program. I'm currently located in NC and just was wondering what are some ways to start a career as a HIM. I'm currently not certified, but I'm still looking for opportunities in local hospitals as a HIM clerk or etc. to gain experience. I'm working as coder/ medical record clerk for a HHA. Any suggestion...

CCS Exam

I am getting ready to take the CCS exam on Sept. 20, does anyone have any advice on what to focus on? I have the Clinical Coding Workout and the CCS Review Guide (Garvin), plus all the textbooks I used in school. Will this be enough? If not what else should I be reviewing? I do not have access to Coding Clinic. Any help would be wonderful! Thanks. :)
