

AGENDA

Clinical Documentation Improvement (CDI) Academy

February 21-23, 2018 | San Juan, Puerto Rico

WEDNESDAY, February 21, DAY 1 (CDI Principles)

Time	
7:30–8:00 a.m.	Registration
8:00–8:15 a.m.	Welcome
8:15–9:15 a.m.	CDI Hot Topics, Part 1: Evolution of CDI <i>Discuss the changing environment of CDI and evaluate new and emerging roles for the CDI professional. Learn about the expansion of CDI from inpatient to outpatient and beyond.</i>
9:15–10:15 a.m.	CDI Hot Topics, Part 2: The Nuances of Outpatient CDI <i>An outpatient CDI program is vastly different than an inpatient CDI program. This session will discuss the different documentation drivers and workflow that exist in outpatient CDI programs.</i>
10:15—10:30 a.m.	BREAK
10:30 a.m.— 12:00 p.m.	CDI Hot Topics, Part 3: Beyond Reimbursement <i>Review the areas of CDI focus beyond just reimbursement, such as quality initiatives, value-based purchasing (VBP), hierarchical condition categories (HCCs), and others.</i>
12:00–1:00 p.m.	LUNCH PROVIDED
1:00 – 2:00 p.m.	CDI and Coder Collaboration <i>Collaboration between CDI and coding is essential for a successful CDI program. Learn how to create the best workflow, open communication, and discuss best practices.</i>
2:00—3:00 p.m.	CDI Metrics & Statistics <i>Review of common CDI metrics and statistics, for both inpatient and outpatient settings that enable a program to monitor their effectiveness.</i>
3:00—3:15 p.m.	BREAK
3:15—4:15 p.m.	When and How to Query <i>Best practices of when and how to query for physician documentation (in both inpatient and outpatient settings), including querying for clinical validation.</i>
4:15 – 4:45 p.m.	Writing Effective and Compliant Queries <i>Hands-on activity of writing effective and compliant queries for both inpatient and outpatient settings.</i>
4:45—5:00 p.m.	Wrap Up

THURSDAY, February 22, DAY 2 (**Coding and Clinical Principles**)

Time	Track 1: Coding Essentials	Track 2: Clinical Essentials
8:00-10:00 a.m.	<p>Inpatient Coding Guidelines, Concepts, and Application</p> <p><i>In-depth review of the Official Guidelines for ICD-10-CM and ICD-10-PCS for inpatient coding, as well as coverage of important concepts, and applying the codes to inpatient case scenarios.</i></p>	<p>Pharmacology and Pathophysiology</p> <p><i>Review of common medications and disease pathophysiology.</i></p>
10:00—10:15 a.m.	BREAK	
10:15 a.m.— 12:15 p.m.	<p>Outpatient Coding Guidelines and Application</p> <p><i>In-depth review of outpatient coding guidelines for both ICD-10-CM and CPT, as well as coverage of important concepts, and applying the codes to outpatient case scenarios.</i></p>	<p>Clinical Indicators</p> <p><i>Review of clinical indicators to look for in documentation for query opportunities and diagnosis validation.</i></p>
12:15-1:15 p.m.	LUNCH PROVIDED	
1:15 – 2:15 p.m.	<p>ICD-10-PCS and Documentation Gaps</p> <p><i>ICD-10-PCS is unveiling many documentation gaps in operative reports. This session will review those common gaps and provide solutions for filling in the missing information.</i></p>	
2:15 – 3:15 p.m.	<p>Clinical Scenarios, Hospital Inpatient</p> <p><i>Hands-on activity reviewing clinical scenarios, identifying documentation gaps, and writing queries for hospital inpatient cases.</i></p>	
3:15—3:30 p.m.	BREAK	
3:30—4:45 p.m.	<p>Clinical Scenarios, Outpatient</p> <p><i>Hands-on activity reviewing clinical scenarios, identifying documentation gaps, and writing queries for outpatient cases.</i></p>	
4:45—5:00 p.m.	Wrap up	

FRIDAY, February 23, DAY 3 (Next Steps)

Time	Track 1: New Programs	Track 2: Established Programs
8:00-10:00 a.m.	<p>Getting Started in CDI</p> <p><i>This session is intended for new CDI professionals who are entering the field and for those who want to learn how to launch a successful CDI program at their organization.</i></p>	<p>Taking Your CDI Program to the Next Level</p> <p><i>This session is for those that already have an established CDI program and are looking for ways to improve and enhance their program.</i></p>
10:00—10:15 a.m.	BREAK	
10:15 -11:15 a.m.	<p>Clinical vs. DRG Validation</p> <p><i>Define clinical validation versus DRG validation and determine what skill sets are required to perform these two distinct roles.</i></p>	
11:15-11:45 a.m.	<p>Creating Documentation Tip Sheets</p> <p><i>Hands-on activity creating documentation tip sheets that you can take back to your organization and start using right away!</i></p>	
12:00-1:00 p.m.	<p>Wrap up with a working lunch while playing CDI Jeopardy!</p> <p><i>Fun learning activity with prizes!</i></p>	
<p>Upon completion of the CDI Academy a link will be sent out for an open book comprehensive assessment. Attendees will have up to 30 days to complete the assessment and receive CEU and CNE credit.</p>		

Closing Day 3 - Thank you for attending the AHIMA CDI Academy and safe travels!

26 AHIMA CEUs & 26 CNEs
