

AGENDA

Clinical Documentation Improvement (CDI) Academy

December 2-4, 2019 | Long Beach, CA

Monday, December 2, Day 1 (CDI Principles)

Time	
7:30–8 a.m.	Registration
8–8:15 a.m.	Welcome
8:15–9:15 a.m.	CDI Hot Topics, Part 1: Evolution of CDI <i>Discuss the changing environment of CDI and evaluate new and emerging roles for the CDI professional. Learn about the expansion of CDI from inpatient to outpatient and beyond.</i>
9:15–10:15 a.m.	CDI Hot Topics, Part 2: The Nuances of Outpatient CDI <i>An outpatient CDI program is vastly different than an inpatient CDI program. This session will discuss the different documentation drivers and workflow that exist in outpatient CDI programs.</i>
10:15–10:30 a.m.	BREAK
10:30 a.m.– 12 noon	CDI Hot Topics, Part 3: Beyond Reimbursement <i>Review the areas of CDI focus beyond just reimbursement, such as quality initiatives, value-based purchasing (VBP), hierarchical condition categories (HCCs), and others.</i>
12 noon–1 p.m.	LUNCH PROVIDED
1–2 p.m.	CDI and Coder Collaboration <i>Collaboration between CDI and coding is essential for a successful CDI program. Learn how to create the best workflow, open communication, and discuss best practices.</i>
2–3 p.m.	CDI Metrics and Statistics <i>Review of common CDI metrics and statistics, for both inpatient and outpatient settings, that enable a program to monitor their effectiveness.</i>
3–3:15 p.m.	BREAK
3:15–4:15 p.m.	When and How to Query <i>Best practices of when and how to query for physician documentation (in both inpatient and outpatient settings), including querying for clinical validation.</i>
4:15–4:45 p.m.	Writing Effective and Compliant Queries <i>Hands-on activity of writing effective and compliant queries for both inpatient and outpatient settings.</i>
4:45–5 p.m.	Wrap Up

Tuesday, December 3, 2019, Day 2 (Coding and Clinical Principles)

Time	Track 1: Coding Essentials	Track 2: Clinical Essentials
8-10 a.m.	<p>Inpatient Coding Guidelines, Concepts, and Application</p> <p><i>In-depth review of the Official Guidelines for ICD-10-CM and ICD-10-PCS for inpatient coding, as well as coverage of important concepts, and applying the codes to inpatient case scenarios.</i></p>	<p>Frequently Seen Inpatient Clinical Indicators</p> <p><i>Review of clinical indicators to look for in documentation query opportunities and diagnosis validation, for conditions frequently seen in the inpatient setting.</i></p>
10-10:15 a.m.	BREAK	
10:15 a.m.- 12:15 p.m.	<p>Outpatient Coding Guidelines and Application</p> <p><i>In-depth review of outpatient coding guidelines for both ICD-10-CM and CPT, as well as coverage of important concepts, and applying the codes to outpatient case scenarios.</i></p>	<p>Frequently Seen Outpatient Clinical Indicators</p> <p><i>Review of clinical indicators to look for in documentation for query opportunities and diagnosis validation, for conditions frequently seen in the outpatient setting.</i></p>
12:15-1:15 p.m.	LUNCH PROVIDED	
1:15-2:15 p.m.	<p>ICD-10-PCS and Documentation Gaps</p> <p><i>ICD-10-PCS is unveiling many documentation gaps in operative reports. This session will review those common gaps and provide solutions for filling in the missing information.</i></p>	
2:15-3:15 p.m.	<p>Clinical Scenarios, Hospital Inpatient</p> <p><i>Hands-on activity reviewing clinical scenarios, identifying documentation gaps, and writing queries for hospital inpatient cases.</i></p>	
3:15-3:30 p.m.	BREAK	
3:30-4:45 p.m.	<p>Clinical Scenarios, Outpatient</p> <p><i>Hands-on activity reviewing clinical scenarios, identifying documentation gaps, and writing queries for outpatient cases.</i></p>	
4:45-5 p.m.	Wrap-up	

Wednesday, December 4, 2019, Day 3 (Next Steps)

Time	Track 1: New Programs	Track 2: Established Programs
8–10 a.m.	<p>Getting Started in CDI</p> <p><i>This session is intended for new CDI professionals who are entering the field and those who want to learn how to launch a successful CDI program at their organization.</i></p>	<p>Taking Your CDI Program to the Next Level</p> <p><i>This session is for those who already have an established CDI program and are looking for ways to improve and enhance their program.</i></p>
10–10:15 a.m.	BREAK	
10:15 –11:15 a.m.	<p>Clinical vs. DRG Validation <i>Define clinical validation versus DRG validation and determine what skill sets are required to perform these two distinct roles.</i></p>	
11:15–11:45 a.m.	<p>Creating Documentation Tip Sheets</p> <p><i>Hands-on activity creating documentation tip sheets that you can take back to your organization and start using right away!</i></p>	
12 noon–1 p.m.	<p>Wrap up with a working lunch while playing CDI Jeopardy!</p> <p><i>Fun learning activity with prizes!</i></p>	
<p>Upon completion of the CDI Academy a link will be sent out for an open book comprehensive assessment. Attendees have up to 30 days to complete the assessment and receive CEU and CNE credit.</p>		

Closing Day 3—Thank you for attending the AHIMA CDI Academy and safe travels!

26 AHIMA CEUs and 26 CNEs

The American Health Information Management Association (AHIMA) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
