

2017 Long Term & Post Acute Care Health Information Technology Summit

June 26-27, 2017 | Baltimore Marriott Waterfront | Baltimore, MD

Invitation to Be a Strategic Partner

The LTPAC HIT Summit is supported each year by strategic partners—organizations with a commitment to advancing and pioneering health IT efforts nationally. Through your support, LTPAC health IT gains further momentum.

As a partner, your organization will be:

- Recognized as a Strategic Partner on summit meeting materials
- Recognized as a Strategic Partner on the event Web page
- Provided opportunity to display a marketing piece on a shared table near registration area (table is shared with other partners)
- Provided with one complimentary LTPAC Health IT Summit registration with Strategic Partner ribbon (*Additional registrants from the same organization can register separately as an attendee.*)
- Recognition as a strategic partner with onsite signage

Strategic partners will support the summit by:

- Promoting and marketing the 2017 LTPAC Health IT Summit to your constituency
 - Include a link on your Web site to the conference Web site
 - Announce the summit to your members and other constituents
 - Communicate with summit organizers about your promotion/marketing activities.
- Sending at least one representative from your organization to the summit

About the LTPAC HIT Summit

For 12 years the LTPAC Health IT Summit has brought together key healthcare industry stakeholders to provide the premiere LTPAC Health IT Summit. By convening health IT leaders, key policy makers, leading providers, federal and state grantees, and other professionals, this collaborative effort has advanced policies and initiatives aligning with the national healthcare strategy.

This two-day meeting provides thought-provoking, interactive sessions aimed at advancing HIT priorities; showcasing implementation successes; and puts the spotlight on LTPAC technologies. In addition, this is also an opportunity to provide critical insight to increase LTPAC involvement in national HIT programs, including health information exchange (HIE) and nationwide interoperability efforts.

Each year the Summit advances key strategies and issues. This year's Summit includes plenary and concurrent sessions, sponsor and exhibit opportunities, and offers attendees the opportunity to network with decision-makers and learn from the experts on interoperability, exchange and patient engagement.

Previous LTPAC Health IT Summit Collaborators and Partners Include:

- American Association of Nurse Assessment Coordination (AANAC)
- American Health Care Association (AHCA), National Center for Assisted Living (NCAL)
- American Health Information Management Association (AHIMA)
- American Medical Directors Association -The Society for Post-Acute and Long-Term Care Medicine (AMDA)
- American Medical Rehabilitation Providers Association (AMRPA)
- American Society of Consultant Pharmacists (ASCP)
- Health Information and Management Systems Society (HIMSS)
- LeadingAge/Center for Aging Services Technology (CAST)
- National Association for Home Care and Hospice (NAHC)/Home Care Technology Association of America (HCTAA)
- National Association for the Support of Long-Term Care (NASL)
- National Pace Association (NPA)
