

Access the Opportunities and Achieve More

Leverage AHIMA membership. Position your organization to meet today's needs and tomorrow's requirements.

Unique educational offerings. Respected certification. Unmatched networking opportunities. Providing your employees with membership in AHIMA, the premiere health information management association, is a wise investment that delivers an excellent return.

AHIMA equips members with the tools and resources to be effective professionals, contributing their expertise to impact the organization's efficiency and bottom line. Your employees become the bridge between areas such as information systems, clinical data, and finance, improving the quality of information and impacting the delivery of healthcare.

Access

Knowledge

Depend on AHIMA members to know the latest industry trends, emerging issues and legislative changes, and for a proactive approach to solve organizational challenges.

Influence

Future

AHIMA leads the way in bridging the gap between HIM and technology, and advocates to ensure that legislative changes are for the advancement of the HIM field.

Grow

Certification

AHIMA credentials demonstrate HIM mastery and a commitment to the profession and career development.

AHIMA offers the following credentials:

- Registered Health Information Administrator (RHIA)

- Certified Coding Specialist—Physician-based (CCS-P)
- Certified in Healthcare Privacy (CHP)
- Certified in Healthcare Security (CHS)
- Certified in Healthcare Privacy and Security (CHPS)

Visit www.ahima.org/certification.

Value

AHIMA membership is a small investment compared to the returns your organization will realize. Free or discounted access to information boosts employee performance:

- Award-winning *Journal of AHIMA*
- Communities of Practice online networking resource
- The FORE Library: HIM Body of Knowledge

Retention

Encouraging or sponsoring AHIMA membership communicates support for the employees' professional development—a great contributor to organizational loyalty.
