Page 71, Figure 5.1

The correct label for this chart is sample PERT chart.

Page 72, Figure 5.2

The correct label for this chart is sample gantt chart.

Page 288, Check Your Understanding 7.1

The correct answer should be C. Encoder.

The encoder is used by coders to select the appropriate code for the diagnosis(es) and procedure(s) supported by the medical record.
