Chapter 4 Test, question 7, page 56
In the table’s April row, the cell for Inpatient Services days, Adult/Children should read: **4,876** not 1,876

Chapter 6 Test, questions 13-19
The last sentence in the instructions (shown before the table that precedes question 13) should read:
“In these exercises, the deaths are included in the discharges, and deaths occurring in less than 48 hours and postop deaths are included in the **discharges**.”
