The previous pin was removed and a Zimmer Biomet total hip was placed. What is/are the correct CPT code(s) for the total hip arthroplasty performed?
- 27130-RT
 - 27130-RT, 20680-RT
 - 27132-RT
 - 27132-RT, 20680-RT
19. What is the correct CPT code billed by the dentist who takes the impression and prepares the splint for a patient preparing for a maxillectomy with resection of a portion of the hard palate?
- 21082
 - 21085
 - 21089
 - 21110
20. What is the correct CPT code for injection into the third carpometacarpal joint without ultrasound guidance?
- 20552
 - 20605
 - 20610
 - 20600

2018 Certified Coding Associate (CCA) Self-Review

21. What is the correct CPT code for the open repair of a distal hamstring tendon?
- 27385
 - 27393
 - 27400
 - 27685
22. What is the correct code for reporting blink reflex testing performed on the fifth and seventh cranial nerves bilaterally?
- 95887
 - 95887-50
 - 95933
 - 95933-50
23. The MS-DRG grouper for FY 2018 is version _____.
- 33
 - 35
 - 34
 - 36
24. The CY 2018 Hospital Outpatient Prospective Payment System (OPPS) final rule removed _____ procedure codes from the inpatient only list for 2018.
- 10
 - 6
 - 5
