

WHY I PREFER TO HIRE AHIMA-CERTIFIED EMPLOYEES

“I have noticed greater levels of competence with coders holding the AHIMA credentials.”

Leah A. Grebner, PhD, RHIA, CCS, FAHIMA
Assistant Professor
Director, Health Information Technology
Midstate College, Peoria, IL

“When hiring new staff for the HIM Department, it is always preferable to hire an employee with the credentials from AHIMA. I have found it requires much less training time and we spend much less time reviewing their work to prove competency.”

Teresa S. Brown, RHIA, CCS
Director of HIM/Privacy Officer
King's Daughters Medical Center, Ashland, KY
