Component State Association (CSA)

As a member residing in the United States, at least twenty percent (20%) of your membership dues are reimbursed to the CSA of your choice. A CSA will be assigned based on your address on this form. Please contact AHIMA if you wish to change your assigned CSA. Some CSAs charge an additional assessment for membership.

There are 52 state associations, representing the 50 US states, the District of Columbia, and Puerto Rico. For details on how to contact your state association, visit ahima.org/csa.

Dues Information

Dues are not refundable and membership is not transferable. A portion of your dues is allocated to a *Journal of AHIMA* subscription: \$10 for student members and \$22 for all others. The *Journal* subscription rate is \$100 per year. Members may not deduct the subscription price from dues.

AHIMA dues are not deductible as a charitable contribution for federal income tax purposes, but may be partially deductible as a business expense. AHIMA estimates that 5% of your dues payment is not deductible because of AHIMA's lobbying activities on behalf of its members.
