

AHIMA Membership is evolving, your choices are expanding...build the member experience that brings the most value to you!

New Benefits | New Member Categories | No Price Increase

What Does That Really Mean?

Active Membership now includes access to AHIMA products that allow you to earn 4 CEUs, at no additional cost. So, the value of membership has just gone up while the price has not.

Interested in even more value? For a slightly higher price, Premier level membership comes with access to products worth 8 CEUs, provides a deeper discount on AHIMA products and services, and offers increased recognition and access to benefits.
