Member Price: \$59.95 | Nonmember Price: \$69.95

ONLINE EDUCATION

[HIPAA Privacy and Security Course](#)

Created by leading privacy expert, Professor Daniel Solove, with the aid of Paul Frisch, a seasoned regulator and consultant, these three courses bring HIPAA to life by pointing out HIPAA's key components, showing how the various parts of the regulation work together, explaining the regulation in easy to comprehend terms, and demonstrating how HIPAA applies to various situations.

1. [HIPAA Privacy: The Pillars of a Privacy Program](#)
2. [HIPAA Privacy: Rights and Responsibilities](#)
3. [HIPAA Security: Safeguarding Personal Health Information](#)
