AHIMA-CERTIFIED CREDENTIALS IGNITE CAREER POSSIBILITIES

By earning an AHIMA certification, healthcare professionals demonstrate the competence to carry out their responsibilities in a critical profession.

WHY GET CERTIFIED?

Whether you're just starting the journey or well on your way to a successful HIM career, an AHIMA certification is your guide to career enhancement, increased salary, and greater success in your chosen profession. AHIMA credentials are earned through a challenging program of examinations, education, and experience, and maintained through continuous review and education.

When a person becomes AHIMA-certified, it reflects a deep personal commitment and sense of accountability, inspiring credibility and confidence in an individual's professional knowledge.

BENEFITS OF CERTIFICATION:

- Provides a foundation of broad and deep understanding
- Increases your job mobility and career advancement opportunities
- Improves your earning potential
- Associates you with AHIMA’s long-standing reputation of integrity and excellence
- Connects you with a strong network of AHIMA-certified peers. Earning an AHIMA credential plugs you into a prestigious community of ongoing support

AHIMA’S CODING AND HIM CERTIFICATIONS ARE ACCREDITED BY THE NCCA.

The National Commission for Certifying Agencies (NCCA) has granted accreditation to this certification program for demonstrating compliance with the NCCA Standards for the Accreditation of Certification Programs. NCCA is the accrediting body of the Institute for Credentialing Excellence (formerly the National Organization for Competency Assurance).

AHIMA’S CREDENTIALS INCLUDED IN THE DDCT

AHIMA’s CCA, CCS, and CDIP credentials are included in the Magnet Recognition Program® list of certifications that are Magnet-recognized and that a certification organization can report in the Demographic Data Collection Tool™ (DDCT).

AVAILABLE CERTIFICATIONS PRECEDE EACH TOPIC

Followed by a variety of prep resources that also includes AHIMA’s on-demand and live training opportunities.
