AHIMA Virtual AI Summit
Frequently Asked Questions

General Information:

What is the AHIMA Virtual AI Summit?

The AHIMA Virtual AI Summit is a one-day virtual event designed for health professionals, focusing on non-clinical AI applications transforming healthcare operations. The event features six educational sessions delivered by industry experts.

When will the summit take place?

The summit will be held on Friday, June 6th, from 9:00 AM to 4:00 PM CST. The presentations will be available for on-demand viewing starting Friday, June 20th. On-Demand access can be purchased before this date.

Who should attend this summit?

Any health professionals (staff to executive level; including students) who want to explore AI applications in healthcare operations, whether they're beginning their AI journey or looking to enhance existing implementations.

Registration & Pricing:

What are the registration fees?

- Premier Members: $79
- Professional Members: $99
- Student Members: $99
- Global Members: $99
- Emeritus Members: $99
- Non-Members: $199

Is there any benefit to upgrading my membership before registering?

Yes, upgrading to Premier membership will save you money on the registration fee ($79 vs $99) and additionally on future purchases. Non-members are encouraged to become members to access the discounted rates.

Continuing Education:

Will I receive CEUs for attending?

Yes, attendees will receive 6 CEUs for participating in the summit.

How do I receive my CEUs?

CEUs will be uploaded to each attendee's CEU center after completing the event survey.

Accessing the Event:

How will I access the virtual summit?

To access the AI Summit recording, please log in to your [MyAHIMA](#) account. Once logged in, the recording will appear in your "My Learning Center" section and will be available for viewing beginning Friday, June 20th.

What if I have technical difficulties during the summit?

For any questions or technical issues regarding the event, you can contact AISummit@ahima.org

Event Content:

What topics will be covered during the summit?
