Leading HI to New Frontiers: Where Every Voice Matters

Why Jill for Speaker-Elect?

Proven Leadership

- Former President of OHJMA with a strong history of collaborative leadership and service.
- Experienced in leading complex initiatives, building partnerships, and bringing people together around shared goals.
- Speaker, educator, mentor, and advocate dedicated to advancing the HI profession.
- Passionate about developing future leaders and strengthening member engagement.

A Vision for the Future of HI

- Elevating HI visibility and value across healthcare organizations.
- Positioning HI professionals as strategic leaders.
- Preparing the next generation of HI professionals for the evolving future of healthcare.
- Ensuring AHIMA remains innovative, relevant, and member-focused in a rapidly changing industry.

The Skills to Lead Effectively

- A diplomatic and approachable communicator who values collaboration and respect.
- Committed to facilitating fair, balanced, and productive discussions.
- Calm, thoughtful, and decisive during challenging conversations and complex issues.
- Strategic thinker with a forward-looking perspective on the future of the profession.
- Dedicated to building consensus while ensuring every voice is heard and represented.

My Philosophy: "Strong leadership starts with listening. I believe the best decisions happen when people feel respected, included, and empowered to contribute their voices and ideas."
