American Health Information Management Association (AHIMA)

PARTICIPATION AGREEMENT FOR VOLUNTEERS

This Participation Agreement contains the requirements for volunteers of the American Health Information Management Association (AHIMA) when acting in their capacity as members of an AHIMA committee/council/task force (Committee) or other group and should guide their participation in all AHIMA projects and activities. These requirements include:

Agreement to Abide by the AHIMA Conflict of Interest Policy and Procedures;

Disclosure of Potentially Conflicting Interests;

Agreement to Maintain Confidentiality;

Work-for-Hire Agreement/Assignment; and

Hold Harmless Agreement
A. AHIMA CONFLICT OF INTEREST POLICY AND PROCEDURES

AHIMA is committed to establish and maintain a high standard of integrity in all activities (“AHIMA Activities”) it performs for AHIMA members and the public at large. The success of AHIMA Activities depends in large measure upon the confidence that AHIMA members and the public have in the integrity of AHIMA. In order to maintain this confidence, AHIMA has adopted this Conflict of Interest Policy and Procedures.

This Conflict of Interest Policy and Procedures is necessary because AHIMA depends upon voluntary service from Directors to accomplish its AHIMA Activities. Directors may have personal, business or professional interests which conflict with the best interests of AHIMA. AHIMA does not view the existence of such interests as implying bias or an impediment to participation in AHIMA Activities. It does, however, require that in certain circumstances those interests be disclosed and resolved.

NOTES:

- Definitions of key terms not defined in the body of this document are provided in Attachment A to this Participation Agreement.

- This Conflict of Interest Policy and Procedures is supplemented by and shall be interpreted in accordance with all applicable state and federal laws and regulations.

1. Conflict of Interest

1.1 Any circumstance that compromises, may compromise or may appear to compromise the ability of a volunteer to act in the best interests of AHIMA, or impair such person’s objectivity, independence, or loyalty to AHIMA; or that may be inconsistent or competitive with the interests or concerns of AHIMA, constitutes a potential conflict of interest warranting disclosure.

1.2 In connection with any actual or potential conflict of interest, a volunteer must disclose the existence and nature of the conflict and all material facts to the Board of Directors or the members of any AHIMA committee with Board-delegated powers (an “AHIMA Committee”), before consideration of a matter related to the conflict.

2. Disclosure of Interests

2.1 It is the intent of AHIMA that all decisions of AHIMA be objective, independent and at all times based solely on the best interests of AHIMA, AHIMA members, and the public. Accordingly, AHIMA requires that:

- All volunteers complete the Disclosure of Interests Form (“Disclosure Form”) below pertaining to ongoing and anticipated AHIMA Activities and return it to the AHIMA office, where it shall be filed, no later than November 1 prior to each year of service;
• A volunteer who is elected or appointed to a position during the course of a year must complete and submit a Disclosure Form immediately upon election or appointment;

• If a volunteer develops a potential conflict of interest during the year, a revised Disclosure Form must be submitted within 30 days;

• A volunteer must contact the AHIMA Board Governance Committee Chair or the President/Chair if he or she observes or becomes aware of any violation of the AHIMA Conflict of Interest Policy and Procedures.

2.2 The Disclosure Form for each volunteer shall be shared with the Committee chair for review, following which the Chair shall advise each volunteer of the necessary disclosure(s) that the volunteer must make with respect to AHIMA matters that may arise at Committee meetings. The Chair of the Committee also shall advise the President/Chair, the AHIMA CEO, and the chair(s) of relevant AHIMA Committees of the necessary disclosure(s). All Disclosure Forms shall be retained in the Office of the Sr. Director, Volunteer Leadership Development (the “AHIMA VLD”).

3. Announcement and Disclosures

3.1 At the onset of each meeting, the presiding officer shall announce the Conflict of Interest Policy and Procedures and ask whether any volunteer has a potential conflict of interest relating to one or more of the matters listed in the agenda for the meeting.

3.2 A volunteer who recognizes a potential conflict of interest with respect to a matter under consideration by the Committee on which he or she serves must disclose the conflict and all material facts to the presiding officer prior to or upon commencement of discussion of the matter, whether or not such conflict has been described in a Disclosure Form. The volunteer shall make this disclosure at the earliest possible time in order to avoid misunderstanding or misrepresentation of his or her motives or interests related to participation in the discussion or vote on the matter.

3.3 If, during his or her review of materials prior to a meeting, or at any time during such meeting, a volunteer becomes aware of an undisclosed potential conflict, such conflict must be reported to the Committee chair, as applicable, as soon as possible but in any event before discussion of the relevant matter.

3.4 If the volunteer does not timely disclose a potential conflict, the Committee chair, as applicable, shall make the disclosure.

4. Conflict Resolution Procedures

4.1 Recusal of Self. Any volunteer may recuse himself or herself at any time from involvement in any decision or discussion in which the volunteer believes he or she has or may have a conflict of interest, without disclosing the reason for recusal or going through the process for determining whether a conflict of interest exists.

4.2 Determining Whether a Conflict of Interest Exists. After disclosure of a potential conflict of interest, and after any desired statement by the disclosing volunteer, he or
she shall leave the Committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Committee members shall decide if an actual conflict of interest exists.

4.3 **Procedures for Addressing a Conflict of Interest.**

- A volunteer with a disclosed potential conflict shall leave the Committee meeting during the discussion of, and the vote on, recusal of the volunteer from discussion of and voting on the matter at issue.

- After exercising due diligence, the Committee shall determine whether:
  
  o The disclosed conflict shall be waived as unlikely to affect the volunteer’s ability to act in the best interests of AHIMA, or to negatively affect the integrity or image of AHIMA, or
  
  o In the best interest of AHIMA, the volunteer should be recused from discussion and/or voting on the matter at issue.

- A volunteer who has been recused from a discussion at a Committee meeting shall not return to the meeting room until he or she has been advised that the relevant discussion and action have concluded.

5. **Special Procedures for Interested Volunteer Transactions**

5.1 The following special procedures apply to circumstances in which an “interested” volunteer is directly or indirectly a party to a transaction involving AHIMA.

5.2 It is AHIMA’s position that interested volunteer transactions should be avoided whenever possible.

5.3 When an interested volunteer transaction is under consideration, the following rules shall apply:

- The material facts of the transaction and the volunteer’s interest or relationship must be disclosed to the Committee prior to the Committee discussing or taking action on the matter.

- The volunteer may make a factual presentation to the Committee, but must leave the room and recuse himself/herself from all deliberations and voting relating to the transaction.

- If an equally advantageous transaction is not reasonably possible under circumstances not producing a conflict of interest, the Committee shall determine by a majority vote of the disinterested volunteer whether the transaction is fair and reasonable and in the best interests of AHIMA. At

the discretion of the presiding officer, the interested volunteer may be recused from the discussion.

- The presence of the interested volunteer may be counted in determining whether a quorum is present, but may not counted when the AHIMA Committee takes action on the transaction.

- The transaction must be approved or ratified by the affirmative votes of a majority of disinterested Committee members, even if the disinterested Committee members number less than a quorum.

5.4 For purposes of this section:

- A volunteer is “interested” if the volunteer or the volunteer’s company, organization or other entity for which the volunteer serves in a leadership, employment or ownership capacity, or a company in which the volunteer has a material financial interest, or a member of the volunteer’s immediate family is directly or indirectly a party to a transaction involving AHIMA.

- A volunteer is "indirectly" a party to a transaction if the other party to the transaction is an entity in which the volunteer has a material financial interest or of which the volunteer is an officer, director or general partner.

- Volunteer is not "indirectly" a party to a transaction if the volunteer is an officer or director of both parties to a transaction and the transaction involves a grant or contribution without consideration from one entity to the other, provided the volunteer does not have a material financial interest in the entity that receives the grant or contribution.

6. **Documentation**

6.1 When a transaction or other matter arises that may involve an actual, potential or apparent conflict of interest, the relevant meeting minutes shall document all procedures followed with respect to the conflict, including:

- The names of the persons who disclosed or otherwise were found to have an actual or possible conflict of interest, the nature of the interest, any action taken to determine whether a conflict of interest was present, and the decision as to whether a conflict of interest in fact existed.

- The names of the persons who were present for discussions and votes relating to the transaction or other matter, the content of the discussion, including any alternatives to a proposed transaction, and a record of any vote(s) taken in connection with the proceedings.

6.2 If the relevant matter arises outside of a Committee meeting, the staff liaison shall prepare a memorandum to file documenting the above information.
B. AGREEMENT TO MAINTAIN CONFIDENTIALITY

The undersigned acknowledges that a breach of this promise of confidentiality could result in irreparable damage to AHIMA and the public for which a remedy at law will be inadequate, and the undersigned agrees that this promise may be enforced by an injunction. The undersigned agrees to pay all of AHIMA’s costs and expenses, including attorneys’ fees, if AHIMA brings an action against the undersigned for breach of this confidentiality promise and prevails in such action.

**By signing this Participation Agreement, the undersigned acknowledges his/her understanding of the AHIMA Agreement to Maintain Confidentiality and agrees to abide by the above requirements.**

**E. VIOLATION OF THE PARTICIPATION AGREEMENT**

1. **Misconduct by a Volunteer.** If the Board of Directors has reasonable cause to believe that a volunteer has:

   - Not submitted a complete, accurate and comprehensive Disclosure Form, failed to disclose an actual or potential conflict of interest, or not complied in all other respects with the AHIMA *Conflict of Interest Policy and Procedures*;
   - Breached his or her promise of confidentiality; or
   - In any other manner acted inconsistently with the terms of this Participation Agreement.

   The President/Chair shall inform the volunteer of the basis for such belief and afford the volunteer a fair opportunity to respond to such charge(s) at a hearing before the Board of Directors.

2. **Discipline by AHIMA.** If, after hearing the volunteer’s response and after making further investigation as warranted by the circumstances, the Board of Directors, in its discretion, determines that the volunteer has engaged in any of the misconduct described above, it shall take appropriate disciplinary action, which may include one or more of the following:

   - Request for the volunteer’s resignation;
   - Removal of the volunteer from the Committee;
   - Prohibition of future participation by the volunteer in AHIMA leadership;
   - Waiver of the volunteer’s right to indemnification and insurance under the AHIMA Bylaws;
   - Legal action against the volunteer; or
   - Any other action that the Board of Directors deems just and appropriate.

3. **Serious, Pervasive Conflicts.** If a volunteer is determined by the Board of Directors to have serious, pervasive, multiple or continuing conflicts, such that the volunteer would seldom, if ever, likely be able to act in the best interests of AHIMA, resignation or removal should be considered.
